### FIRST VICE PRESIDENT'S REPORT BOARD OF MANAGEMENT MEETING SPRING 2019/2020 TERM 01 MAY 2020

Throughout this past year as President of the Cincinnati Chapter and First Vice President of the Ohio Society has been pretty challenging! Throughout the year we have striven to bring focus and clarity to a number on initiatives within the Society.

Serving in the capacity of Ad Hoc Committee Chairman for the Black Powder Use and Liability Insurance Committee, gave us the opportunity to more fully evaluate how decisions should be undertaken by Society Leadership.

Activity undertaken this past year as Chapter President of the Cincinnati Chapter have provided valuable insights into how to press forward with fresh Youth Education Committee activities at the Ohio Society Level.

Looking at the past years cost of publishing and distributing society newsletters to 2000+ members has shown a pathway to reducing this cost of operation in future years. This allows for better utilization of the financial resources of the society.

In my capacity as 1<sup>st</sup> Vice President, I have during the past quarter worked with the incoming & outgoing Treasurers and current Society President to finalize a budget proposal that will be reviewed with the BOM on the next meeting occasion.

Commenced work to finalize the 2020/2021:

1. Ohio Society Meeting & Event Calendar
2. Completion of a list Committee Chairmen
3. Working with Ft. Laurens Committee and Friends of Ft. Laurens to define an expanded Ft. Laurens event in 24/25 July 2020
4. Evaluating other State Society Youth Education Programs

As this term of office draws to a close, I am looking forward to the coming year as Ohio Society President and the achievements we may accrue as a Society working together.
