

Patriotic Outreach

Ohio Society - Sons of the American Revolution

Executive Committee,

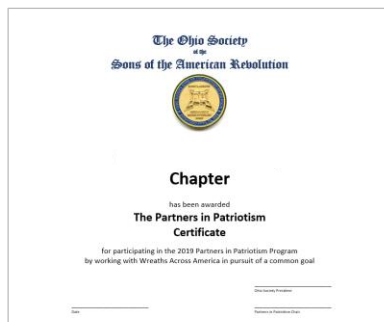

The Patriotic Outreach Committee focuses on the Partners in Patriotism program which encourages and recognizes chapters who participate in programs sponsored and organized by other patriotic organizations such as the American Legion, USO, Wreaths Across America, Honor Flight, Blue Star Salute, etc.

This year began the re-introduction of the program to the Ohio Society chapters with the addition of a new OHSSAR Certificate. An application was mailed to each chapter secretary twice. The application lays out the procedure for participation and for applying for the new OHSSAR certificate. Upon receiving a qualifying application, a certificate is printed for presentation to the Chapter. The Patriotic Outreach Committee then forwards an application to the NSSAR. No guarantee for national recognition is implied as different standards may apply.

This year there were six chapters qualifying for the OHSSAR certificate. They were:

Benjamin Franklin	Wreaths Across America
Camp Charlotte	Wreaths Across America
Constitution	Joint Veterans Council
Highlanders	Veterans Service Office
Mahoning Valley	American Legion
Richard Montgomery	Wreaths Across America

Congratulations to each of these six chapters. Because of the electronic nature of our state meeting, the OHSSAR certificates will be mailed out.
