HANDBOOK COMMITTEE REPORT BOARD OF MANAGEMENT MEETING SUMMER 2020/2021 TERM 25 JULY 2020

The Handbook Committee has traditionally been a one-man committee or in other words, a one-man effort to keep the Handbook up to date and current with the Ohio Society Regulations. Presently, the handbook saw its last revision & review on 3 February 2018 during my term as Ohio Society Secretary.

At this point, I question the value of the Handbook as a useful tool for the Society. During the coming quarter I will assess its value to the membership and make a recommendation to the Executive Committee on the usefulness of the Handbook and Committee value to the Society.

Respectfully Submitted,

Turner Lee Wilkerson III
Chairman—Handbook Committee
President—Ohio Society SAR
