Southeastern Ohio District Activity Report

Summer Board of Management
July 25, 2020

Three chapters comprise the southeastern District: Marietta, Rufus Putnam, and Lt. George Ewing. Because of the COVID-19 the latter two chapters have not met. As President of the Ewing Chapter I am planning an outdoor meeting in Athens in a week or two. However, Athens County has the highest rate of corona infection in the state and is classified as Level 4 (purple). I am in contact with two officers of Rufus Putnam Chapter and they will attempt a meeting in September which I plan to attend. I am a dual member of the Marietta Chapter so receive minutes and announcements; they have had two meetings, the May meeting by ZOOM, and a July meeting outdoors in person but I had a conflict that day.

Patriotically,

Scott Moody
